

Where Quality Meets Expectations

"Innovation. Quality. Service."

AN ISO 9001 : 2015 CERTIFIED COMPANY

COMPANY PROFILE

COMPANY OVERVIEW

Qualimark Machines Pvt. Ltd. is a progressively-growing company, established in 2001, famous for introducing innovative and path-breaking products such as India's first Hydraulic-based **Khakhra Making Machine** and Single Conveyer Technology-based **Automatic Chapati Making Machine**. An **ISO 9001:2015-certified company**, Qualimark designs, manufactures and exports the technologically-superior and highly-successful khakhra & chapati making machines and other innovative machines for food processing industry, all over the world.

One of the main things which differentiate us from others is that we are a purely innovation-driven company, having our **manufacturing unit & state of the art R&D center spread over 45,000 sq.ft.** We rigorously develop and upgrade our product range to bring ground breaking innovations and supply world-class products that solve problems for our customers. We promise innovative high tech products characterized by tremendous quality and reliability. Continuous development work helps customers to maximize their competitive ability. By choosing Qualimark, **you can also profit from 20 years of Qualimark technological leadership in Khakhra & Chapati making machinery.**

We endeavor to keep preserving on our conventional power and fulfilling our vision of becoming a global leader, keen towards professionalism and superiority while striving to promise the highest level of satisfaction for our clients. The company is continuously rising on growth charts and setting high standards for quality.

Maintaining a **"Customer First"** attitude by investing in delivering quality products, service and value to customers Qualimark continues to touch people's lives by solving problems. We believe in integrity, consistency, innovation and customer focus and this has earned us priceless goodwill in the domestic and international market.

We are delighted to introduce you to the **world of Qualimark**, a company **Where Quality Meets Expectations!**

Reliance Industries Limited, Dahej

We experienced with Qualimark Machines Pvt. Ltd. under: • System based company.
• Very good technology of product with continuous R&D system. • Positive staff members as well management.

Regards, Hiten Chhatrala | Admin Manager Reliance Industries Limited

ITC Limited, Bangalore

We had good experience of working with Qualimark machines. They have good expertise in this area of chapati making machinery. They now have a dedicated service team which endeavours to give quick response to customer problems. Customer focus and orientation is good.

Regards, Pravin Raghupati | Foods Division ITC Limited

Hindalco Industries Limited, Sonebhadra (U. P., India).

- (1) Your good experience with our company : (Excellent)
- (2) Your good experience with our product you are using. : (Very Good)

Regards, Prabhat Singh | Purchase Department - Hindalco Industries Limited

Maa Food Products, Bengaluru (Karnataka).

It is with pleasure that we share comments on our experience with Qualimark Machines Pvt. Ltd. in buying of Khakhra Making Machine, Khakhra Roasting Machine and Flour Kneading Machine. While we have bought a number of food processing machines, we have never before encountered such a level of excellence in product quality and service. The experience at each phase of the sales effort was superior, such as innovative efforts in developing products, useful insights during product trials and proactive facilitation during the installation and after sales service. All of these tasks, whether business-related or interpersonal, were accomplished with a noticeable degree of competence, humility, integrity and grace. Thus, we highly recommend Qualimark Machines Pvt. Ltd. for their products and services.

Regards, Shankar Jain | Director - Maa Food Products

The Heaven, Gondal (Gujarat)

I am writing to give qualimark machines pvt ltd. My highest recommendation. Qualimark Possesses all the attributes necessary to be an excellent food processing machinery manufacturer they know their market extremely well; they are diligent, responsive, and yet very patient with their clients. Qualimark is both very professional and personable. They clearly take pride in doing a good job in my particular case as a buyer of a roti maker machines making plant, there were many instances when we asked for some technical training and demonstration and in every instance Qualimark Was a great help. It would be hard to envision someone doing a better job than Qualimark.

Regards, Pratik Patel | Canteen Manager - The Heaven

Chidambaram Fishnets Pvt Ltd.

The experience with Qualimark is remarkable and is very positive and happy to be a customer of Qualimark the product we bought was Qualimark Chapatti making machine 400 per hour. Very useful and helpful for our factory canteen. And working well and Qualimark teams response is fast quick and their problem solving is excellent. We wish Qualimark well and all the best and we have recommended their product to many people who have seen our machine in working condition and have bought and are happy Thanks for your cooperation

Regards, Baskaran J | Director - Chidambaram Fishnets Pvt Ltd, Chennai

Dabur Nepal Pvt Ltd.

Your product Chapati maker is running satisfactorily and it is a great experience in terms of any technical support from your team.

Thanks & Regards, Prem Singh - Canteen Manager

The Akshaya Patra Foundation

We are very happy to inform you that, We are using Qualimark Make Machines from last two years on three different locations and we found these machines excellent which are efficient in terms of energy & man power. The products are very reliable and they have very strong after sales support.

Regards, Ajay Wagh | Asst. Manager - Maintenance, The Akshaya Patra Foundation.

EME SCHOOL – VADODARA

We are using Qualimark Make Chapati Machines, the product is very compact. Quality of Chapati is also satisfactory. And we also get prompt after sales service. Hence we had replaced the same with our old machine.

Regards, Colonel Manav Biswas, (The Electrical and Mechanical Engineering School of the Indian Army)

Dechen Choekhor Mahavihara Trust

We are satisfy with your roti making machine product. It is very helpful for us to makes roti. Our experience was good and it is a nice roti making machine. Thank you so much, we are very glad to use this product.

Regards, Dechen Choekhor Mahavihara - Trust Sharabai PO Bhunter, Distt Kullu ,Himachal Pradesh ,India
